

Handy Reading Strategies

Think About the Story - Make sure you do a "Walk Through" the book before you start reading so you know what the story is about. Then always think about the story as you are reading.

Check the Pictures- Use the pictures on the page to help you figure out the story and words.

Sound it Out- If you get stuck on a word, look for what you know in the word and sound it out.

Look for Chunks- Look for chunks you know in the word if you get stuck.

Does it make sense?- As you are reading make sure what you are reading makes sense.
