

## Writing Letters and Thank You Notes

\*Everyone likes to get a letter in the mail! Help your child write a letter to a friend, grandma or grandpa, aunts, uncles, or someone special to them. Take a picture of your child doing an activity, on a field trip, or showing of a new dance. You and your child can write about the picture and the letter is finished.

\*Everyone likes to get a Thank You Note and this is a great way to teach good manners. Take a picture of your child with the present they received and help them write a great Thank You Note.
