

Campfire Popcorn

Supplies Needed:

Tin foil

String

Good Stick

Popcorn Kernels

Oil

Butter and Salt for seasoning

Directions:

- Tear off an 18 inch square of tin foil.
- In center of each square add 1 teaspoon oil and 1 tablespoon popcorn.
- Bring corners together and tie with a string. Tie the string to a long sick.
- Place over hot coals and shake with the long stick until popcorn is popped.
- Season with butter and salt if desired.
