

# Tens Frame

©All Rights Reserved Loving2Learn™

## Activities

- \* **Count up to 10; put a gingerbread boy on the “Tens Frame” as you count up.**
- \* **Count backwards from 10, taking a gingerbread boy off as you count backwards.**
- \* **Put 6 gingerbread boys on and count up to 10. Put 5 gingerbread boys on and count backwards (Do this for all the numbers 1-10)**
- \* **Put 2 gingerbread boys on the “Tens Frame” and ask how many do I have on? (Do this for the all the numbers 1-10)**
- \* **Put 5 gingerbread boys on the “Tens Frame” and ask how many more candy corns I need to fill the “Tens Frame?” Do this with all of the numbers.**

**Cut up the squares of gingerbread boys to use in the “Tens Frame” as counters. To make the game last longer print the game and game pieces on card stock paper.**
