

Letter Find

*With your child write all of the letters, capital and small letters, on sturdy paper or foam cut outs.

*Scatter the letters around the room with your child, as you set them down say the letter and things that start with that letter.

*Once you have scattered the letters ask your child to find a letter. Find the letter Bb boy, balloon, and baby start with the letter Bb.

*When your child finds the letter they can put it in a pile. Watch the letter pile grow.

(If your child has trouble finding a letter, help them find it, then talk about the letter together, and then leave the letter in its place and ask for the letter later.)
