Missing Numbers

Before Playing:

1. Cut out the numbers 1-20.

Games:

1. Put three numbers on the Missing Numbers game board and the other person has to fill in the missing numbers.
2. Put two numbers on the Missing Numbers game board and the other person has to fill in the missing numbers.
3. Put three numbers on the Missing Numbers game board going backwards and the other person has to fill in the numbers.
4. Make a pattern and the other person has to figure out the pattern and fill in the numbers. (Example: 6 ___ 8___ 10, ___6___12___, 5___11___17, etc...).
