

## Personal Place Mats

\*Kids love to make their own place mats. They can draw a picture and they can help you write a story under the picture. You can also put their picture on the place mat as they are the author and illustrator.

\*If you want your child to learn something put it on a place mat. Have them help you design the place mat.

### \*Ideas

- \*Their Name
- \*Colors
- \*Days of the Week
- \*Months of the Year
- \*ABC's (Large and small)
- \*Numbers
- \*Shapes
