

Number Line

Before Playing:

1. You will need a number line 0-20.
2. You will need a dry erase marker and an eraser.

Games

1. Count the numbers 0-20.
2. Count backwards starting at 20.
3. Start at ____ and count up to _____. How many numbers did you count to get to your end number? (Example: Start number is 3 and counted up to 10; 7 numbers.)
4. Start at ____ and count backwards to _____. How many numbers did you count backwards to get to your end number? (Example: Start at 14 and count backwards to 6; 8 numbers.)
5. ____ + ____ = ____ Draw the problem on the number line.
6. ____ - ____ = ____ Draw the problem on the number line.
7. Pick a number. How many ways can you make the number? (Example: 10; 5 and 5, 4 and 6, 2 and 8, 1 and 9, 3 and 7.)
