

# Catalina Madalina

There was a funny girl, she had a funny name  
She got it from her pappy just the same, same, same.

**CHORUS:**

**Catalina Madalina, Hoopin Stina, Walla dina  
Oaka, Poka, Loka was her name.**

She had two hairs on the top of her head  
One was alive and the other was dead. **CHORUS**

She had two eyes in the front of her head  
One was green and the other was red. **CHORUS**

She had two teeth in the front of her mouth  
One pointed north and the other pointed south. **CHORUS**

Her nose was so long that when she sneezed  
It got caught in between her knees. **CHORUS**

Her ears stuck out like the sails of a boat  
Her Adam's apple wandered up and down her throat. **CHORUS**

She loved to polish her fingernails  
She bought her polish in ten gallon pails. **CHORUS**

The language that she spoke was an awful joke  
Her head was made out of solid oak **CHORUS**

Her feet were flat as bathroom mats  
I forgot to ask how they got like that. **CHORUS**

A ten ton truck hit our Madaline  
That was the end of that machine. **CHORUS**
