

Toddlers Love to Count

- *Toddlers will count everything so make it a game.
- *How many shoes do you have?
- *How many beans do you have?
- *Help me get three spoons, five plates, etc...
- *Lets collect five leaves, three sticks, or seven stones.
- *Lets pick six flowers for grandma.
- *How many pillows do you have on your bed? How many sheets? Stuffed toys?
- *How many steps do we climb?
- *Put up three fingers, five fingers, seven fingers, two fingers etc... (This game can be played in the car, in a waiting room, at the store...)
- *Make sure you check out the songs about numbers.
