

Domino Games

Before Playing:

1. You will need to purchase a box of dominos.

Directions

1. Match up the domino numbers on one side of the dominos 0-6. Make a train.

Another Game:

1. Divide the dominos in half.
2. Each person turns up a domino, decides which half of the domino has the largest number, and then goes against the other person to see which one has the largest number.
3. The person with the larger number gets to keep the domino.
4. Play until one person has all the dominos.
