

Magnet Letters and Number

*Buy a set of magnetic letters & numbers and get out a cookie sheet.

*Put letters on the cookie sheet and name everything you can think of that starts with that letter.

*Put letters out and tell what letter it is.

*Put letters out and say what sound the letter makes and think of an object that starts with that letter.

*Put out numbers and say what number it is.

*Put out numbers and have your child hold up that amount of fingers.
