

My Head, My Shoulders, My Knees, and My Toes

My head, my shoulders, my knees, and my toes
My head, my shoulders, my knees, and my toes
My head, my shoulders, my knees, and my toes

My face, my hands, my hips, and my feet
My face, my hands, my hips and my feet
My face, my hands, my hips and my feet

That's how the parts of my body go!

My nose, my elbows, my legs and my ankles
My nose, my elbows, my legs and my ankles
My nose, my elbows, my legs and my ankles

That's how the parts of my body go!
