

## BAT

### Materials:

egg carton  
small wiggly eyes  
red marker  
rubber band

### Directions:

- 1) Separate 3 cups from an egg carton.
- 2) Cut out an oval shape of the 2 outside cups to resemble bat wings (see the picture).
- 3) Add two small wiggly eyes.
- 4) Bounce your bat from a rubber band by putting a hole in the top of the middle cup and tie off the rubber band so it will not slip through.
