

Big Crayons

What you'll need:

- crayons
- mini muffin pan

Directions:

- You'll want to preheat your oven to 265 degrees F.
- Peel off all the paper from the crayons and break them into 1/2" to 1" pieces.
- Arrange two to three like colors in each slot, then bake for 6-8 minutes, you want them just melted.
- Let them sit a little on the counter to cool, then place them in the freezer until they are firm (approx. 30 minutes).
- They should then pop right out.
