

EGG CARTON CATERPILLAR

Materials:

- egg carton
- scissors
- pipe cleaners
- small wiggle eye
- markers
- glue

Directions:

- 1) Link or cut 6 cups from an egg carton.
- 2) Using the point of a scissors make two small holes on one cup at the top for the antennae.
- 3) Insert pipe cleaners for the antennae and make a small knot on the underside.
- 4) Glue on wiggly eyes.
- 5) Draw on a mouth and decorate.
