

Finger Paints

Ingredients

*1/2 cup of dry starch

*1 quart of water

*1/2 cup soap flakes

*food coloring

Equipment

*pan

*wooden spoon

*measuring cup

*baby jars

Directions

1. Soften $\frac{1}{2}$ cup of dry starch in a small amount of water.
2. Add this to 1 quart of boiling water.
3. Heat and stir until the mixture bubbles.
4. Remove and cool.
5. Add $\frac{1}{2}$ cup soap flakes.
6. Stir until well mixed.
7. Cool once again.
8. Place mixture into small baby jars.
9. Add different colors of food coloring.
