

School Glue

Ingredients:

- 3/4 cup water
- 2 tablespoon corn syrup
- 1 teaspoon white vinegar
- 1/2 cup cornstarch
- 3/4 cup cold water

Directions:

- 1) Combine the first three ingredients in a saucepan and bring to a boil.
- 2) Then mix cornstarch and water in a bowl.
- 3) Next add the second mixture to the saucepan while stirring.
- 4) This glue should be left to settle for a day or two before using.
