

Box Director

- 1) Take large box and open it up so you can see through the box.
- 2) Have your child crawl through the box.
- 3) Have your child follow directions understanding the positions.
- 4) Example: Go into the box. Come out of the box. Go around the box. Stand in front of the box. Stand behind the box. Touch the top of the box. Point to the bottom of the box. Stand beside the box.
- 5) Then give two directions. Example: Crawl through the box and touch the top of the box.
- 6) Then give three directions.
