

Dribbling Fun

- *Every child will need a ball that they can dribble.
- * Draw a course on your sidewalk.

Game

- *Have children just practice dribbling a ball.
- *Once they get the idea have them go through different courses. They can be wiggly like a snake. They can have corners or even obstacles they have to climb over and still dribble the ball.
- *Each child should get a chance to set up the course.
