

## Rounding Money to the Nearest Dollar

### Directions:

1. One person states a dollar amount.  
(Example: \$4.78)
2. The next person has to round the dollar amount to the nearest dollar.  
(Answer: \$5.00)
3. You play until you are a genius at rounding money to the nearest dollar.

\*This game can be played anywhere; on the bus, in the car, on a walk, etc...

### Reminder:

\*You round the dollar amount **UP** if the cents are worth \$.50 or more.

\*You round the dollar amount **DOWN** if the cents are worth \$.49 or less.
