Directions:

1. Cut out the **minute(s) cards that are all in red** and the **hour(s) cards that are all in blue**.
2. Put the hours on the hours side of the clock and **then add the minutes to the clock**. Go over that there are **12 hours on a clock** and **0-59 minutes on a clock**.
3. Read the clock over and over until you are genius clock reader!
