

Finger Games to 10

Directions:

1. Have your child hold up both hands and have them count their fingers out loud.
2. Ask them to hold up 4 fingers, 7 fingers, 9 fingers etc...
3. Have your child hold up 10 fingers and count backwards.
4. Have your child hold up 8 fingers and count backwards, etc...
5. One person holds up 0-10 fingers and the other person has to tell how many fingers they are holding up.
6. One person hold up 0-10 fingers and the other person has to tell how many fingers are needed to get to 10.
7. Ask your child to hold up 4 fingers. Then ask them can they show you four fingers in another pattern, etc...
