

Number Cards 1-10

Before Playing:

1. Run off the number cards 1-10 and cut them up into cards.

Games:

1. Put the numbers in order from 1-10.
2. Put the numbers counting backwards from 10.
3. Mix the cards up and put them into two piles, tell what number is the largest or what number is the smallest.
4. Mix the cards up and turn a card over and tell what number was turned up.
5. Mix the cards up and turn a card over and count on to 10 from the number that was turned over. Count backwards from that number.
