

Goals for Adding and Subtracting

Up to \$1.00

___ My child knows the value of a penny, a nickel, a dime, a quarter, and a half dollar.

___ My child can count up to \$1.00 from each coin; penny, nickel, dime, quarter, and half dollar.

___ My child can count mixed coins up to \$1.00.

___ My child can give certain amounts of coins up to \$1.00.

___ My child can add and subtract two amounts of coins up to \$1.00. Example: I have \$.67 and \$.22. How much money do I have all together? I have \$.75 but I need to lend \$.35 to a friend. How much money do I have left?
