

## Missing Addition

### Before Playing:

1. Run off the sheets of party hats.
2. Cut them up into cards.
3. Get out two pieces of felt.

### Directions:

1. Take the cards and on the first piece of felt place \_\_\_\_\_ party hat cards.
2. Say to your child, "Here are \_\_\_\_\_ party hat cards."
3. Then say, "I need \_\_\_\_\_ party hats in all. How many more party hats do I have to have to get?"
4. Another way to play is to put so many party hats on the first piece of felt and let your child see how many party hats are there. Then cover up the second set of party hats and ask, "I need \_\_\_\_\_ party hats in all. How many party hats are hiding?"
