

Animals 10's Frame Fun

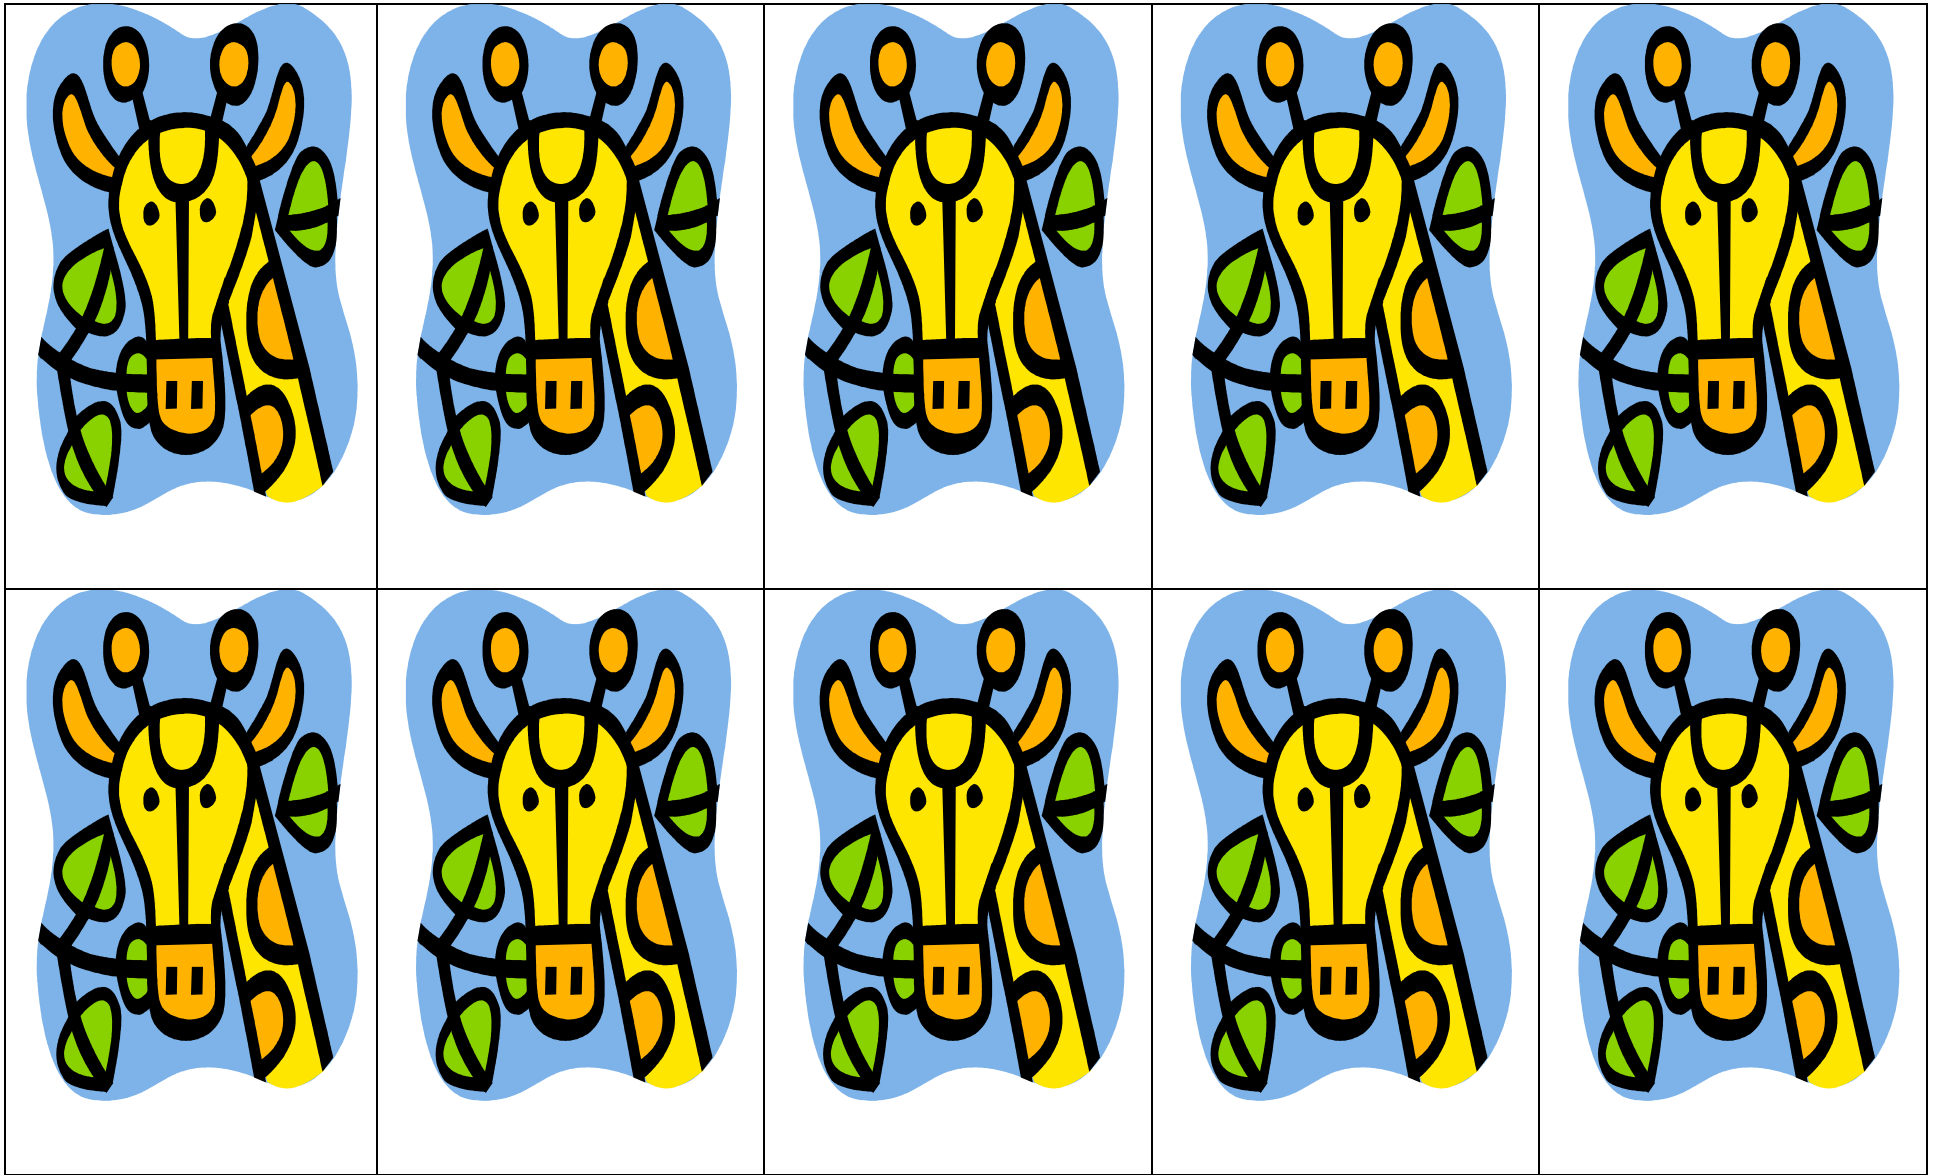

Before Playing:

1. Run off the one sheet of Animal and a 10's Frame.
2. Cut up the giraffe cards.

Directions:

1. Take the empty 10 frame.
2. One person puts the animal cards on the tens frame. Then takes off _____ cards and asks, "Ten minus _____ = what?" Then the next person takes a turn.
3. Another way to play is to start with any number and take away so many pieces. The other person has to state the subtraction problem.

$$\underline{\quad\quad} - \underline{\quad\quad} = \underline{\quad\quad}$$
