

Cookie Subtraction

Before Playing:

1. Run off the sheets of cookies.
2. Cut them up into cards.
3. Get out one plate.

Directions:

1. Take the cards and put _____ cookies the plate.
2. Take off _____ cookies.
3. Ask your child, "How many cookies are left on the plate?"
4. Then ask your child, "What is the problem you just solved?"

$$\underline{\quad\quad\quad} - \underline{\quad\quad\quad} = \underline{\quad\quad\quad}$$

5. Do this over and over until it becomes automatic. Also, let your child put the cookies on the plate and you tell them how many cookies are left.
