

## Subtracting Party Hats

### Before Playing:

1. Run off the sheets of party hats.
2. Cut them up into cards.
3. Get out one pieces of felt.

### Directions:

1. Take the cards and put \_\_\_\_\_ cards on the felt.
2. Say to your child, "Here are \_\_\_\_\_ party hats."
3. Then say, "I only need \_\_\_\_\_ party hats because \_\_\_\_\_ kids can't come to the party. How many party hats should I put away?"
4. Another way to play is to put so many party hats on the piece of felt and let your child see how many party hats are there. Then cover up the party hats, "I only need \_\_\_\_\_ party hats. How many party hats did I take away?"
