

Make Musical Instruments

*Tambourine- Have your child decorate two paper plates, staple half way around, pour in dried beans, and finish stapling all the way around.

*Maracas-Take plastic container, have your child decorate it with stickers, fill it up with dried beans, and put the lid on.

*Drums- Take empty oatmeal container let your child paint it, and you have a drum. If you want more drums tape a few empty oatmeal containers together.

*Cymbals- Take two of your lids from pots and clang them together.
